Tuesday, May 21, 1867. CHALLENGING JURORS.

The right of trial by jury is one of the matit tions of modern civilization to which it for the protection of the subject or citizen against uni of or oppressive prosecution and punishment by t. overem n'. Evory person charged with er me in accordance with the provision which makes the trial by jury a privilege ut oll, is sptitled or natural as life." by common law to certain collateral privileges which give him an advantage over the prosecubave any objection. This right of poremptory half of the study of Natural History in Schools, challenge is not inherent in the government or J. W. Schermerhorn & Co., 430 Brooms St., prosecuting party, and some governments are not all wed to challenge jurous at all,

In England an express statute passed in 13 15, and re enacted in 1825, probibits peremitory challenges on the part of the King. The practice is similar in the United States Hon. E. C. Scranton; Miss Mublihadh, ambor of "Juseph II. and his Court;" Madaine of "Juseph II. and his Court;" Madaine Nearly all the States, however, have such stat- Pfeisser, author of Function the Cricket : Phropies gising the prosecutor thought to challenge nological Theory of Man's Organization-Mea hanted number. In New Hampshire, the State may challenge two, in Ruode Island, one Plain Words with Big Hoys; Aboriginal Lein ix, and in Connectiout, two; and this is zends of America; The Gospel among Ani-

These facts are gathered from a communica- Broadway, N. Y. tion of the Attorney General of Massachusetts to the Governor giving his opinion as to the constitutionality of a law just passed in that State which fixes the number of oballenges allowed to the prosecutor at two, the same as in 4 the other New England States named. Tho practice in the State courts will thus be conformed to the prevalent sentiment of the country, and, within such limits, tesults injurious to the cause of justice need scarcely be apprehended from this legislation.

EMANCIPATION IN BRAZIL .-- The extract from a Ruo paper which follows, gives somepresents the views which the journal quoted believes to be entertained by the people of Brazil ing that a mutual agreement was entered into on the subject :

1930), that is, in thirty-three years hence, Second-Tho State shall indemnity those citizens who may still own slaves at that pe-

of this decree, all children born to slaves shall

Burth-Those children who may be educa ted in the houses of their parents' masters shall for this portion thay tender compensation. serve them till they reach their twentieth year, and will then be restored to freedom.

Fight-There will be established courts of

emmeigation in all the fowns to suforce the law and see to its proper execution.

S xth -- A fixed amount will be set aside for the emancipation of the elares of the nation, and the same terms will be agreed upon to elfeet the liberation of the slaves owned by religious orders as may be made to perchase the freedom or those held by the government.

Seventh ... There will be appropriated a fund for the named purchase of a certain number of a'aves, so that but few may be in bundage when the hear of general emancipation is at

Such are the features of the plan, and after due consideration we can promise its originaof the country.

The opinion of the Brazilian people on the subject of slavery is already known. All detest

Accomplished by thest means, emancipation will be effected in Brezil without creating either a distribute or a financial crisis. And it, omeuring with the plan set forth above, the government lavors the idea of spontaneous emigration and turnishes resources to allow of its development on a large scale, the country will hibited. erner into a new cra, and sattle its luture des-

The House, Judiciary Committee, now in session at Washington, are making an investigation into the affirs of the Kansaa branch of the Pacific Railroad. It seems that two parthe civilia to have bought charters from the original corporation, which was headed by Gen-Fremont, and that party which bought last, and whom is an eminent Secator, who thinks the Ben road the party which bought first now claim States in advance of their being admitted to their that they are entitled to the franchises of the organish. The evidence elicited thus far has been very voluminous, and will be at more than ordinary !- terest when made public, as it incoll ates several prominent lobbyists in transactions woich are not creditable to them.

There is great rejoicing among the conservatives in Washington at the unanimous decision was critical and specific and the Committee obtain of the Supreme Court of that District, comnot ing the Boards of Registry to open the lists evidence of Secretary Seward was to a similar for the registry of every qualified voter. The effect, though it isoluded a reststement of the eff whites now have a majerity of one thousand, forts made by the Government to capture Spread and they claim several thousand by the reopening of registration.

A leading Georgia paper, in a notice of the retesse of Jeff. Davis, 2018; "Ilaving exhibited durpeople in the councils of the nation." .

> HEAVY VERDICT .-- In the Massachusetts Supremo Court, yesterd vy, in the case of Ches. Fifty or sixty of them will be pieced on the steam H. Gasa et al. va. New York, Providence and Boston Railroad Company a verlict was rendered for the plaintiffs of \$6129 55.

The facts of the case are these; When the steamer Commonwealth was destroyed by fire at Groton the plaintiffs had on board, as it is agreed, some fifteen thousand pounds of butter and twenty-one thousand pounds of laxt; the lower key, "Jesson's Out!" former in eask,s the latter in tin cans and lier-

in the same between the plaintiffs and the First-Slavery shall cease foinlly in the year Steamship Ucmpany, wherein the carriers were to be exempted from lesses by fires, &c., and that the carrier baying the actual custody of the goods when damaged should be alone held re-Third ... From the date of the promulgation sponsible; that when the fire took place a small

The plaintiffs claim that the fire was originated from the deput about an hour after the GRAND OPENING. steamer had arrived at the dock; that when she came to the dook the defendants took canstructive possession of the goods to be trunsported on their road, and were proceeding to take it out when the fire occurred, that this was an actual delivery of part, and a sufficient constructive delivery of the whole to bind them. At the trial the bill of lading set up was wair, ed, and the defendants defended alono on whether there had been a true delivery or not.

THE MAINE LAW IN MAINE. Last week, as wo learn from the Lewiston (Mc.) Journal D. P. Withes of that place was fined for selling intoxicating liquers. His pice was that he kept a respectable place, and only sold older and native wines: but Judge "siton, who tried the case, seld that saloens which retailed wine, enter and ale were the nurseries of intemperance, and the more treat ations as have come to our knowledge prove speciable" they are, the more dangerous they bethat all our citizens are in !avor of the spirit of come, instruction their very respectability and the plus deverged in the foregoing summary. gilled appearance offer a greater temptation to the june detection is the integoring seminary, gilded appearance offer a greater temptation to the subject to the sound arrivate solution and the joung. Saloons which sell the lighter intoxically the has leased the above numed store, cating drinks by the glass(even if they sell mathing to metric occurred by A. R. Janes, and collects at the most of the subjection of his cating drinks by the glass(even if they self nothing stronger) are patronized by young men who would not think of going to a foul run shop, Jodge Walton further said that the law and experience pronounce sie, the fuice of the grant correct spale.

In a ravine in the town of Worthington, Mass. there is a pile of snow one bundred feat deep.

The New York Day Book nominates Dayls and Cowan for a presidential ticket on a "white man's platform,"

A boy in Montreal put two fire creekers into his postrils and fired them to see the effect. He now knows he has no nees.

A bungling drug clerk in Brucklen gave the wife of a New England interchant an overdose of nur vonica which caused her death in a few hours.

The conscience fend of the Tressury Depart ment was increased on Schoolsy by the receptor of lifty dollars, sent from Gibertsville, Miscourt The centain of a Norfolk ferry beat has been ar

rested for ejecting a colo ed woman from the cabin dadignated for white woman. The street was made under the Civil Rights bill.

A butcher let a enilar have a shoulder of mut-A dutceer ret a rain in more a smooth of the ton on trust, but finding a day or two after that he had gone to a foreign land still: My word that if I had known he never intended paying for it, I would charged a pecay tours a pound for it."

But few years passed since instrumental music in that tew years passed suce instrumental mosts in churches was regarded as ascrilege. A base viol was looked upon with rightenus bortor. A certain clergyman whose judgment in the matter had been ignored, introduced public service as follows: "You may fiddly and eing the one hundred and twenty-fifth matter.

Active preparations are on foot at Peath for the coronation of the Emperor of Austria as King of Hurgary. The arown, insulfactors for the occa-tion, is ornamented with fifty rables, the same comber of supplices, and three hundred and thirty eight most valuab e pearls.

The Charlotte (N. O.) Democrat says: Along the road between this place and Mouroe, Union county, we saw several white girls in the field plowing. In one instance we east two girls, about sixteen years old, managing a plow with two oxen attached— no held the plow handles and the other drove the oxen.

Eighty-five midshipmen will be graduated at the ship Minusasta and rent on a six months'equiafor the purpose of being instructed practically in thoir daties.

As the afternoon way train was coming from As the attenuous way train was coming from Baltimore, recently, the conductor, calling out the names of the way stations, shouted, he explosive tones, "Jessap's Cot!", "Was he hort much?" imported a demore passenger: wheremen there was a general spicker, and the conductor processing to another car, called out, in a horse for the laws that.

The Commissioner of Pensions has decided ces. They claim that the defendants not re-sponsible as common carriers and by their close War department as closed or messengers, are not what in detail the plan by which sixeny is ultirelation with the Steamship Company for the
entitled to a continuance of their pensions white
most to come to an end in Brazil. It also whole amount of the loss. The defendants set up a bill of lading, claim- bet of April 80, 1844.

> The cattle plague rages in Holland, necessitaling a great destruction of animals. In one dis-trict there was seen a strong opposition by the peasants, who had a religious objection to the destruction of the cattle, that the soldlers were obliged to fire, by which two men were killed and two more wounded.

It is a curlous comment on the state of English portion of the goods were inken out of the rescient that famile spicoltarial laborers have judicial in the defoudant corporation of this portion that tender defoudant corporation for this portion that tender compensation.

The activities in some countries have judicial the strikes in some countries, not to one they initiated the movement. In their manifesto they cask if 6d. a day is a fair remuneration for a woman to toil in the fields and unsex herself.

Sherman president the Grand July Company Figure 1 (1997) and the factors Master.

Sherman president the Grand July Company Figure 1 (1997) and the factors Master.

Sherman president the Grand July Company Figure 1 (1997) and the factors Master.

Sherman president the Grand July Company Figure 1 (1997) and the factors Master 1 (1997) and elled, Judge Sherman proceeded to charge them in regard to the nature of the complaints that a would probably come before them for their consideration; these were stated by the Judge to be such, and assault and battery with a dangerous weapon. The nature of the offences was deflued by the Judge and what proof must be maintainted before the dury, in order to institut the finding of Deacon.

R. W. Mass Fifeld, Centreville, Deputy Grand in the order of Gen. Schofield providing for the registration of voters in Virginia sceme to give general satisfaction. The General does not give any specific institutions in regard to the persons who are disfrunchised under the laws which he is executing, doubtless because he expects to receive the such and assault and battery with a dangerous weapon. The nature of the offences was deflued by the Judge and what proof must be maintained before the dury, in order to institute the finding of Deacon. by the Judge and what proof must be maintained before the Jury, in order to justify the finding of W. indictments under them.

The Grand Jury retired to their room, under the direction of the Attorney General, at quarter past or Steward 10 o'clock, and will probably come in during the afternoon with the resulte of their lavestignflung.

The petit Jurore were then came, and thereby, to their names, Solomon Slocom, Edward Tweedy, Grand Chaplain, Grand Chaplain, W. W. Duana Aldrich, Isma Rock, Grand W. W. Duana Aldrich, Isma Rock, Grand Geo. P. Leonard and George Shorrock were car-cused from serving, for ressors stated by them to Swoad Bearer.

W: Charles R. Catler, Warren, Grand Pursui when the remainder of the morning session was when the remainder of the manning consumed in calling the docket, seven cases on er.

W. Ebenezer B. White, Providence, Grand Ty-There are eighteen coses only, entered on the new docket and but a small proportion of these were marked for trial.

The Grand Master clue was installed by M. W. Ariel Ballon, P. G. M., and the other cilicers by the Grand Master.
